

Welcome!

Our Mission

The Vision of the Youth Summer Enrichment Program is to engage youth entering 6th, 7th and 8th grades in a summer of active learning, fun and relationship building with their peers and the greater community.

This is accomplished through weekly hands-on "pay it forward" events and community connection trips.

In addition, we have twice weekly pool trips and daily events focused on physical, emotional, and spiritual development. All of this takes place in a safe and encouraging environment where Christian values and lifestyle are exemplified.
