Our Philosophy...

We believe that each child is unique and a very special gift from God. A gift that needs to be cared for, not just physically, but emotionally and spiritually as well.

We believe that such care must be provided in a safe and pleasant environment by people who are loving and kind.

We believe that when child care outside the home is necessary, it should be a positive experience for the parent as well as the child. Parents should feel confident that their children are receiving the very best care possible.

We believe that constant and open communication among caregivers, parents, and children is vital to the well being of the children.

Our Program...

Full and Part Time Weekly Care

Weekly care for the supervision and nurturing of children six weeks through twelve years of age is offered. The program is available for infants through preschoolers (two days, three days, or full time), kindergartners (half day), and school age children (before/after school, holidays and school closings). Breakfast, lunch, and snack are included.

Before/After School

School age children, K through twelve years of age, are offered a program that provides a nutritious breakfast, afternoon snack, and a planned program of activities that are a change of pace between school and home. These include but are not limited to the following: quiet play, recreational activities, help with homework, table games, puzzles, arts and crafts.

Summer Day Camp

Children who have completed kindergarten through fifth grade are offered a program full of fun, themed activities, games, crafts, cooking, and free and organized play as well as weekly field trips. Breakfast, lunch, and snack are included.

A nutritious breakfast, lunch, and snack meeting the PA Department of Education Food Program Requirements will be provided. This institution is an equal opportunity provider. All meals served to children under the Child and Adult Care Food Program are served at no separate charge regardless of race, color, national origin, sex, age or disability. There is no discrimination in admission policy, meal service or the use of facilities. Any complaints of discrimination should be submitted in writing within 180 days to the USDA, Director, Office of Civil Rights, Washington, D.C. 20250.
